**LIVI!**

## This is your ultimate guide to what Livi is like **BACKSTAGE!**

**SHE'S ONE OF THE BIGGEST POP STARS AND NOW THAT HER TOUR IS FINISHED, SHE'S STAYING HERE IN HEARTLAKE CITY AT THE NEWLY REOPENED HEARTLAKE CITY HOTEL!**

Everyone knows all about Livi: from her gorgeous pink hair to her rockin' vocals, she's the queen supreme of pop music all over the world right now! Although she's a famous singer, Livi is a normal girl and backstage she does lots of normal things: reading books, talking to her mom on the phone, playing video games.

After judging the talent show at the Heartlake City Mall, Livi was really impressed with one contestant in

particular, a Heartlake City native named Andrea! Even though Andrea forgot her words the first time, Livi gave her a second chance and Andrea gave a great performance. If she was able to impress Livi, who knows how bright her star will shine one day?

Livi loves her fans more than anything else, so we rounded up the top five questions you all want to know about her and had her answer them!

### **Backstage Must-Haves!**

- Grapes
- Extra notebooks for writing songs
- Water bottles
- Towels
- Yoga Mat
- Book
- Comfy couches
- My cute Dalmation "Cookie"
- Flowers

COME ON! I WANT TO SHOW  
YOU GUYS ALL THE COOL STUFF  
ABOUT MY STAGE!

I usually just sing on stage, but my  
band and backup singers have everything  
from a drum set to guitars and keyboards.

For the people sitting in the back, the big screen  
broadcasts the show to the whole auditorium so  
everyone can see the performance.

This part is my favorite! When I come on stage, at first  
I'm hidden from view, but then the stage turns and it's  
a huge surprise to start the performance off with an  
awesome song and dance!

## Fab Fan Questions!

**What is your favorite color?**

**Livi:** Pink! Especially bright pink!  
I also love purple and blue.

**Is Livi your real name?**

**Livi:** Hehe...I guess I can reveal  
my little secret here! My parents  
definitely gave me a unique  
name...my real name is  
Moonbeam Blossom.

**What do you do in your free time?**

**Livi:** Actually, most of my free  
time is spent rehearsing and  
practicing. Since my performances  
are so important to me, I like to  
practice my singing and music  
every chance I get. When I'm not  
rehearsing though, I also like to  
exercise! I'm really into yoga  
these days, totally calming!

**What's your favorite part about  
being famous?**

**Livi:** Having fans all over the  
world is kind of like having a  
whole bunch of exciting new  
friends! Meeting new people is  
amazing, and I'm so lucky to be  
able to travel all over the place and  
experience beautiful countries and  
of course, new people. I also love  
animals, especially my cute puppy  
Cookie; now that I'm famous, I  
can donate more money to animal  
shelters and animal charities.

**Is there anything you don't like  
about being a pop star?**

**Livi:** Sometimes it's hard being  
away from home for a long time.  
And even though this life is fun,  
it's hard work. Thankfully, my  
great manager Megan makes  
my tour bus feel like home  
away from home.

# Ride THE WIND!

With Aira's Magical Pegasi, there's no limit to Adventure!

## Emily and the Elves will have to find a way to fly to reach the Wind Key!

Emily and her new magical Elf friends had already found the Fire Key, the Earth Key, and the Water Key, but the fourth and final key was proving to be difficult. The key's location was bouncing around on the map, and no one understood the mysterious riddle: "This key is a mouthful." As they trekked up the mountain, the sky grew dark, and Emily and her friends took shelter in a little windmill for the night.

The next morning Emily woke up first and she wandered outside. As she hummed her grandmother's song, she noticed a flash of wings out in the distance. As she stared out into the sky, she saw another pair of wings...and then another! Emily realized suddenly that she was seeing real life pegasi playing together in the clouds. "Aira! Azari! Everyone, come see this!" Emily called. Aira and the rest of the elves ran outside and looked at the pegasi in amazement.

"Wow..." Aira pressed her hands against her cheeks, "I've never seen pegasi this close before!"

"Can you...talk to them?" Emily questioned, remembering when Naida spoke with the dolphin and Azari spoke with the fire fox. Aira smiled, "I'll try." Aira focused her magic and the wind started to billow around her. The pegasi instantly reacted and flew toward the group as everyone looked in awe at the beautiful creatures. "You did it Aira!" Emily looked up in wonder at the pegasi, "They are gorgeous!" "Yes, but there's only two..." Farran frowned, "Will they be able to carry us all?"

"I'm an inventor!" Aira exclaimed. "And I have an idea...let's get pieces from the windmill over here...we're going to build a sleigh!" Together, Emily and the elves used instructions from Aira to build a sleigh. The pegasi trotted up to the sleigh, and Aira attached reins to their backs. Aira concentrated, and using her magic, the whole sleigh began to glow and sparkle. "Alright," Aira nodded at the pegasi, "Give us wings!" The pegasi took off, and suddenly, the sleigh and the whole group were airborne, speeding through the clouds. Emily laughed into the wind as the pegasi flew them closer and closer to the Wind Key. "We're not far now! With the magic of Elvendale, anything is possible!"
